Seminars and Speakers

This year we will have some time where men and boys will be led in separate seminars. Topics will be geared toward each age group and address the practical issues they face in today's world.

Jon Kolb will share how the Lord has worked in his life and how he has worked to building a strong foundation. Whether playing football, being a husband, raising kids, coaching or running a business, Jon's faith has been a guiding force in his life.

Kim Constanza will be leading the boys and young men in a seminar geared specifically to this age group.

Worship & Music

Our music leader again this year is Tom Belhy, Pastor of Third

Presbyterian Church in Washington, PA. Tom is a gifted musician with a passion to use music to help others grow in their faith. We are thrilled to have

Tom lead us during at various times during the day.
